

Hawai'i Wetlands GIS Map

Created by Learning Endeavors 2023

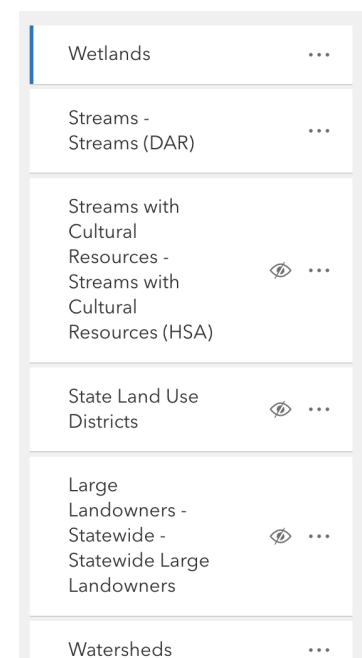

Explore the Hydrology of Wetlands on Maui with this Online GIS Map.

<https://bit.ly/wetlandshawaii>

1. Zoom in and out
2. Explore the Legend on Left

3. View the LAYERS of data available in the GIS map & Select Layers to HIDE or REVEAL with the 'EYE' icon to deepen your understanding.

Questions to Explore:

What is the stream flowing into a particular wetland, if any?

Who owns the land where the wetland exists?

What is the name of the watershed in which the wetland is located?

What human infrastructure might be impacting the wetland?
